About Me

My name is Shanto Roy, and I am currently pursuing my third year of honours in the Department of Zoology. In addition to my academic studies, I have completed a training program in Computer Fundamentals and Office Applications, organized by CDT, BRUR. I am passionate about building a successful career as a freelancer and am actively working to expand my skills and expertise in various domains to achieve this goal.

TRAINING EXPERIENCE

Computer Fundamentals and Office Applications Training Organized by CDT and BRUR, funded by the World Bank, conducted a training session on computer basics and office productivity tools for a diverse group of learners.

Delivered practical demonstrations and hands-on exercises to enhance learner engagement and understanding.

Design course materials and assessments tailored to different skill levels.
